Devil Wind Voids Burning Permits

Burning permits are automatically void when the "Santana" wind begins blowing, Capt. Mark Foote of the Lemon Grove Fire Department said this week.

He said this is the name of the strong wind which begins about this time of the year. The Spanish called the wind "Santana," meaning devil, because it is hot and dry, coming from the desert, and causes a sudden drop in the humidity (moisture) level, causing dangerous fire conditions.

It is usually a strong wind and makes any private party burning very hazardous, Capt. Foote said. That is why fire permits should not be considered licenses for burning just any time.

On May 21 at 9:04 a.m. the fire department answered a first aid call to Massachusetts street where the car of Richard Remele, 74, had gone off the road when he suffered a stroke. He was going south on Massachusetts and his car came to a stop in a grassy area.

Remele, of 7817 Quince St., San Diego, was reported in good condition at Paradise Valley hospital.

RESIDENTS COMPLAINTS BRINGS PUBLIC HEARING ON BEER APPLICATION

SAN DIEGO (CNS)—A public hearing will be held on a liquor license sought by Frances Maccea, doing business as the Wooden Nickel, as a result of a protest by the County Board of Supervisors, it was indicated Tuesday.

The board protested the license at the request of Mrs. Channing P. Mason, 8280 Imperial Ave., between Lemon Grove and La Mesa. She asked the board for aid, saying the license would be the third granted right around her.

The Alcoholic Beverage Control reported to Supervisors the hearing would be held, if the local office approved the permit, or upon the request of the applicant, if the local ABC office recommended the license be denied.

Unknowns Do Damage At School

The Lemon Grove school district, through Principal Brogan, has complained to the sheriff's department of malicious mischief at the Palm Avenue School, 8425 Palm Ave., Lemon Grove. Donald Luscomb, a teacher, reported that the suspects broke off the water faucet and water flooded the room.

Also, that they turned a large desk over, threw paper and books into the water on the floor and pulled off the curtain over a large window, ripping it, and sliced pictures hanging on the wall. The unknowns entered by slipping the lock on the door with a knife. Because of the water, all evidence was obliterated.

Sheriffs Arrest Drunken Driver Imperiling Traffic

A sheriff's prowl car on May 14 came upon a Plymouth car weaving dangerously on Highway 94 between Jamul area and Avocado boulevard, which crossed the center line on Highway 94 and entered the left-hand lane to go toward oncoming traffic for approximately 50 feet.

Sheriffs stopped the vehicle at Avocado boulevard and questioned the driver, Dean Leroy Hinkley, 3145 Central Ave., Spring Valley, who allegedly could not pass the sobriety test and used abusive language in conversation with the officers in the presence of his wife and children.

Jim Utt Protests Castro 'Blackmail'

Congressman James B. Utt (R-28th Dist.) vigorously protested to both President Kennedy and Secretary of State Rusk a proposed attempt by Mrs. Eleanor Roosevelt, Walter Reuther and Dr. Milton Eisenhower to pay tribute and blackmail to the Castro Communists for the release of some 1,200 prisoners. Castro had asked for 500 bulldozers in exchange for the captives.

In a letter to the President, the S.D. County solon who represents Lemon Grove and Spring Valley asked "How low can this country sink in the eyes of the world to initiate such a program of blackmail expenditures." He said, "I am certain that you must realize that when these 1,200 are released there will be 1,200, or 12,000, more people offered in barter."

According to his district representative, Bob Geier, who spoke to him on the phone Monday, the Congressman's office was deluged with telephone calls from Southern Californians who are concerned over the blackmail proposal.

Utt, in his letter to the President, said, "Somebody in authority should tell Mrs. Roosevelt, Walter Reuther and Dr. Milton Eisenhower that dealing with a head of a foreign government does not fall within the purview of a private citizen and is a matter for the state department under the direction of the President."

Utt expressed his belief that "we should either leave Cuba completely alone or we should move in with every power at our command and set up a protective government awaiting the time when Cuba is again capable of self-government.' He likened this to our action following the Spanish American war.

Dorman Elected To Lions Post

DISTRICT GOVERNOR—Wallace Dorman, Lemon Grove attorney, was elected district governor of Lions International at the annual election meeting at Palm Springs last week. Dorman, an attorney with offices at 7760 Broadway, will be responsible for 53 clubs having a membership of 3,000 during the 1961-62 Lions Club year. The district, 4L4, includes San Diego and Imperial counties, desert communities east of Los Angeles, Riverside and San Bernardino. Pete Wood is president of the Lemon Grove Lions Club.

HEARING FRIDAY TO DECIDE IF 6-ACRES MAY HAVE PARK USE

The Lemon Grove Swimming Pool Association this week disbanded its organization and gave their two-and-one-half acre swimming pool site to the county to be used for a park, it was announced Wednesday by V. J. Dorman, counsel for the Association. The property is on Mt. Vernon street near Washington.

The announcement came just in time to include the matter in a hearing Friday at 10:30 a.m. The property will have to be approved for use in the county's master plan for parks before it can be utilized. The Friday hearing was originally set for a zone hearing on the "green spot" park which adjoins the newly acquired property. The hearing had been requested by the Lemon Grove Coordinating Council through its president, Dr. Dennis McLaughlin.

The Coordinating Council property, for which a park plan had already been developed by the county park department, is scheduled to have its final hearing at the Friday meeting. Presumably, new plans will have to be developed to include the entire seven acres. The area is being planned as a minimum-noise park.

Dorman, in a letter to the county board of supervisors, pointed out that the Swimming Pool Association had acquired the property from the Walter Denlingers several years ago for $12,500, and had acquired an option on the proposed park area for $500 with a purchase price of $26,250. The option was assigned to the county and they picked up the remainder of the $26,250 tab. Both pieces were sold by the Denlingers under a park and recreational use covenant.

Dave Bird, chairman of the board of supervisors, estimated the value of the Pool Association property at $25,000 to $30,000.

Dorman said that "when it became apparent that it was not feasible for a non-profit, private organization to build and maintain a swimming pool facility, directors of the SPA voted to dissolve the association and dispose of the assets for park and recreational purposes."

He said the group had become discouraged when the Communities Service election for a recreation district failed. In keeping with the wishes of the Asscciation, the property is being turned over to people for a park, he said.

Dr. Dennis McLaughlin, president of the L.G. Co-ordinating Council, sponsors of the Friday hearing said that should the planning commission OK park zoning Friday, no other step would be needed to ready the property for park-use. The Friday hearing will also be for including the Swimming Association property in the county master park plan.

The DIMMER VIEW

by MAX GOODWIN

Let's settle the Cuban situation right away, now that Fidel has started negotiations.

Instead of tractors, let's give him Jimmy Hoffa, David Beck, and all the other labor leaders and their lieutenants, who have been accused of fingering the till.

We herewith give our proxy to negotiators Mrs. Roosevelt and Dr. Milton Eisenhower to deal with Castro on a one-for-one basis.

If Fidel balks, I'll permit 'em to toss in negotiator Walter Ruether, and go to two-to-one union bums for the captive invaders.

Because we are certain they have no value on the foreign market we won't offer the CIA nor the invasion blueprint designers.

The latter consideration brings up a delicate question—Should American taxpayers be made to pay for an armed guard for the CIA and the invasion designers after the invaders are released?

U.S. Representative Jim Utt has stated categorically that he is opposed to federal aid to education. Mt. Utt, who represents this district in Congress, says that the programs now proposed would not serve the interests of California taxpayers.

"Under pending legislation, California would receive $52 millions and would pay out in federal taxes for the Educational Act alone, $73 millions."

He also makes a prediction that is alarming. He predicts that if grants or loans are given to parochial schools, Catholic or Protestant, that within two years those schools would be prohibited from having a Bible in the school library let alone being denied the teaching of any religious doctrine.

Along the same general line E. Maxwell Benton, California Taxpayers Association Schools Consultant, lists three situations that would result from federal interference in school operation:

1. Federal Aid would lead to federal control of education and loss of local autonomy.

2. Federal government has been operating in the red for years. Consequently, it is in no position to assume additional burdens.

3. Some states, says Benton, would get as much as $30 per pupil. California would get less than $17.

California may not be able to obstruct federal "aid" programs but there is no reason why taxpayers may not know of the fiscal hazards the aid indicates.

We were guests of the Lemon Grove owner of a 3,000-acre ranch last week in the mid-part of Baja California.

It is an area so remote from Yankee commercialism you'd at least expect the people there to be neutral, but they aren't. Truth of the matter is that the Americano is not beloved by the simple people near San Telmo.

In a serious discussion with the ranch owner and his workers, it was disclosed that the distaste is the result of the same things that brought us into dis-affection throughout the world. . .that we try to make our dollars do the job that nothing short of human-to-human relations can do.

Baja California, rich in natural resources, may some day follow the path cleared by Dr. Castro and join ranks with world communism. The ounce of prevention is so minute, and so certain, that it is distressing to realize that the U.S. is doing nothing, and as far as we can ascertain, there are no plans for doing anything.

A simplification of a helpful formula for stemming the Baja California dis-affection would be to send into the back-country agricultural experts who would work in the fields with the ranchers; experts who could speak Spanish. This cost would be a fraction of the "normal" U.S. aid and would strengthen brotherhood rather than destroy it as is now done by installing a diplomat in a big house on a hill then attempting to make the Yankee dinero do an impossible task. . .a task that can only be done by a compadre among the workers.

A single representative working shoulder-to-shoulder in the fields can gain us more allegiance than a hill-high stack of U.S. currency.

The thread that ties the U.S. and Baja is slender. A realistic aid program here would pay great dividends and prove again that dollar diplomacy buys for us only hate and resentment.

MOTHER-OF-THE-YEAR TO SPEND BUSY WEEK GATHERING DRESSES, SHOES, HAM, ETC.

"It seems too good to be true," Mother-of-the-Year Mrs. Rudolph Chesnik, 1679 Larwood Rd. said Monday as she readied herself to accept the approximately $200 worth of prizes local business firms are giving her.

Mrs. Chesnik was chosen in a contest sponsored by this newspaper and area retailers to attract attention to Mother's Day in this community.

"I have received more calls from people congratulating me," she said. "I don't know what I've done to deserve it but I'm grateful. I'll treasure the memory of being chosen always."

Mrs. Chesnik said she planned to have the dinner at Harvey's Club Venezia on June 20. "It's the 20th anniversary of our marriage," she confided. This newspaper is supplying the dinner.

ENTRY MIXED

During the judging one of the entries became mixed with another. One, submitted by Pat Dow, nominated Mrs. Billie Kehrenberg as Mother-of-the-Year. We erroneously attached the nomination note of another to Mrs. Kehrenberg. Her nominee said that Mrs. Kehrenberg had "done so much for people. My mother has 17 children and has worked awful hard to raise them. My father died when I was eight, and my mother was left to raise us alone. She has done a lot to keep us happy, and would help anyone out if they needed it."

Some of the awards Mrs. Chesnik is getting this week are listed here:

He caught a glimpse of the three boys, one of whom he said had a ducktail haircut and dark hair. Walters stated he lost four six-packs two weeks ago.

Student Arrested Following Complaints About Speeder

A Mt. Miguel High student and part time salesman who lives in Spring Valley was arrested May 17 at Gilford court and Darby street, Spring Valley, for reckless driving.

Complaints came into the sheriff's department from residents that he had been speeding up and down Parkbrook street, and driving erratically in the residential zone. Witnesses claimed he went 60 m.p.h. in a 25-mile zone where small children played in the street. He admitted driving down Parkbrook at 40 m.p.h., 15 miles over the limit.

The boy was identified as the driver of the car by at least five of the residents on Parkbrook. Mrs. Rosemary Brown, one of the witnesses, stated she wanted to take action. The boy's mother said she is going to sell his car now. The case was referred to juvenile traffic court.

Chamber To Elect Officers

Election of officers will be the main order of business for the Spring Valley Chamber of Commerce, when that organization meets Monday, May 29, at 8 p.m. in the chamber hall, 9050 Memory Ln.

An amendment to the by-laws last year, caused the annual election of officers to be held the last Monday of May instead of the last Monday of December. Installation of officers will be the last Monday of June. The slate of officers was presented at the April meeting.

Besides the regular officers to be elected for one year, there will be three board members elected for two years. Three other board members will be carry-overs. The outgoing president will automatically become an added board member, and will serve until such time as the new president's term expires.

Guest speaker of the evening will be P. E. "Stormy" Gormly, of the county animal shelter in south Spring Valley. He will speak on "Dog Control," which will be followed by a question and answer period.

The meeting is open to the public and all civic-minded persons are encouraged to attend, says President Tommy Thomas.

10 Classrooms To Be Added To Miguel High

The Grossmont Union High School District board of trustees has approved preliminary plans for a 10-classroom addition at Mt. Miguel High School after hearing a discussion of the plans by Robert Bradt, architect. The salient features of the new addition include provision for mavimum flexibility in use of interior space through a structural arrangement whereby the weight is carried upon supporting columns spaced on a 30-foot module.

The plans include provision for fixed windows permitting better control of the interior temperature and atmosphere. Artificial lighting will be installed so as to permit rearrangement based upon interior partitions and building use. Mr. Bradt indicated that the cost of the structure would be well within the state school program controls. The board requested that the design be changed to horizontal lines, thus conforming to the architecture of the rest of the buildings at Mt. Miguel. Construction is scheduled to begin during the course of the coming school year.

New Drycleaners Opens in Valley

Mrs. June Blurton, a Spring Valley resident, is opening a drycleaning shop at 1114 Sweetwater Rd. in Noble's Corner on June 1. She said drycleaning and laundry services are being offered and that she will specialize in alterations.

She is to be assisted in the business by her daughter, Kay Williams, a junior at Mt. Miguel.

The shop is offering all services at half-price during the month of June, she said.

Gunners Blast Away At Gas Company Rigs

A man with a 45-cal. pistol and another unidentified gun, and a blonde woman are being sought by Deputy Sheriff Donald Bryan for using the heavy equipment of the San Diego Gas & Electric Company for target practice.

David F. Curtis, a driver of an equipment car for the gas company, reported that one of his maintenance men said that on arriving at work at the construction site on Sweetwater Spring road on May 15, he saw the suspects leaving the area.

Checking the equipment, he found two doors flattened by bullets one on each of two Hough Payloaders, also a hydraulic tank holed by a 45-cal. slug and, on an Arrow "stomper," the distributor and coil were destroyed by bullets. The shots were made at close range, he said. Damage amounts to $900. The investigation is being continued.

Sand Company Reports Theft Of Motor Parts

George Weller, of the Waddington Sand and Gravel Company, 8240 Broadway, Lemon Grove, has reported the theft between May 10 and 12 of a pair of left and right manifolds from a '57 Chevy V-8 motor being rebuilt for one of the Yard's trucks. Value was $25.

In the investigation Deputy Sheriff J. Dargitz talked with Allen Morris, one of the mechanics, who said on May 10 three young men came into the yard to get some sand but did not have money to pay for it. He said they seemed interested in the motor. He didn't observe them sufficiently to describe them. Investigation is continuing.

S.V. Woman Takes Pills for Marital Difficulties

Despondent over marital difficulties, Mrs. Angela V. Mottley of San Diego, took an overdose of tranquilizing pills at the home of her parents. Sherlton Marvin Bishop, 3744 Helix St., Spring Valley, at 7:40 p.m. May 16.

Sheriff's deputies reported she had two partially empty pill bottles when they arrived. Mrs. Mottley was very ill when taken to Grossmont hospital by the Spring Valley fire department ambulance. The ambulance crew reported that they had to use an inhalator to start Mrs. Mottley breathing again.

Valley's 9th Fireman's Ball Slated for June 17

Plans for the ninth annual Spring Valley Firemen's Ball scheduled for June 17 in the Spring Valley Chamber of Commerce hall, are shaping up, according to assistant fire chief L. D. Lawton, general chairman of the ball.

Chief Lawton says the orchestra for the evening's dancing has been hired—**Lydia and the High Lighters,** a band that is fast becoming known throughout the country. The band, which plays mostly sweet music, won many amateur awards before blossoming out into the professional field. The band is comprised of local musicians, and they have been playing a USO circuit for the past 18 months.

Several vocalists are featured with Lydia and the High Lighters and the night of June 17 promises to be one many Spring Valleyites will long remember, says Chief Lawton.

Tickets for the ball will soon go on sale and may be purchased from any Spring Valley fireman or at any of the three fire stations. Chief Lawton says he hopes the people of Spring Valley will turn out one-hundred per cent.

2 Boys Arrested For Radiator Theft

Parts of the stolen radiator were found at a salvage yard where they'd been sold for $10. The boys admitted the theft and their parents said that restitution would be made.

Ransacker Said To Be Working M.H. Neighborhood

A Lemon Grove woman whose house was burglarized told a reporter this week that she "believed it was committed by the same person who has been burglarizing other homes in the Monterey Heights area."

The woman, Mrs. Jewett Shea of 1621 Cameron, said her home had been ransacked May 9. $213 in cash, a $150 watch and a diamond ring, were taken.

"No one but my husband knew the money was in his trousers pocket. I hid my money in the headboard of the bed. The burglar had to search considerably to find it," she pointed out.

The couple's son, Thomas, 17, found the house ransacked when he came home from school.

No suspect had been found by the sheriff's department at the weekend.

Valley de Oro Leaguers Play Some Close Ones

FAST ACTION THRILLS FANS

By Tommy Thomas

The past week's baseball games in the Valley de Oro Little League proved that even young ball players can participate in some very close games. This was true in all three leagues; the majors, the minors and even the caps. The majors of course kept the scores at a minimum; the hitting in both the minors and the caps was real heavy. But nevertheless the games all were thrilling and kept the fans on the edge of their seats.

Here are the games for the majors.

May 16. Woods Lathing Service 3, Pik Pak Pickles also 3. This tie game went an extra inning (7) and was called because of darkness. The game is scheduled to resume Monday. Both teams use several pitchers.

May 17. Golden Bowl 4, Polar Frozen Foods 2. Tom Matters was the winning pitcher.

May 18. Summers Sporting Goods 3, Jim's Richfield and L and R Auto Parts 2. Winning pitcher was Wayne Kelley, who was credited with an outstanding catch. Jim Crawford, playing second base for Jim Richfield and L and R, was credited with catching a line drive down second base way off the bat of the first man up.

May 19. Golden Bowl 8, Woods Lathing Service 1, with David Howerton as winner on the mound.

May 20. In the first game of a double-header, it was Jim's Richfield Service and L and R Auto Parts 14, Polar Frozen Food 6. This also was a seven inning game, with Jim Hook as winning pitcher. Jim Bauer of the Jim's and L and R team, got a grand-slam homer. The Polar team had a double-play; Breedlove to Woods.

In the second game, it was Pik Pak Pickles 1, Summers Sporting Goods 0, and the winning pitcher was George Golden.

MINOR SCORES

May 16. Spring Valley Lumberg 17, Casa Drugs 1, with Randy Miller the winning pitcher.

May 17. Sanitary Septic Service 13, La Mesa Engineering 10. Ken Martin was the winning pitcher. Roger Dyer of LM Engineers got a three-run homer.

May 18. Jamacha Sand, 27, Expo Stucco 22, with Paul Loop as winning pitcher.

May 19. Spring Valley Lumber 20, La Mesa Engineering 6, and David Akers was the winner on the mound.

May 20. In the first game of a double-header, it was Jamacha Sand 11, Sanitary Septic 9, with the winner on the mound being Shera Dearinger.

In the second game, Expo Stucco 16, Casa Drugs 9, and the winning pitcher, Mike Day.

CAP SCORES

All games were played May 20. Maroons 16, Greens 9, and Lloyd Lane was the winning pitcher; Blues 12, Blacks 4, and the winning pitcher, Cliff Shrank; Reds 14, Golds 6, with Steve Baker as the winning pitcher.

SV PONY LEAGUE

Pitcher Thomas Strikes Out 16

Ronnie Thomas, the young pitcher on the Southwest Trophy team of the Spring Valley Pony League, has started the 1961 season by showing his ability as he did when he was playing Little League ball. On opening day, he pitched a one-hitter against the Summers Sporting Goods team to chalk up a 2 to 0 victory. He struck out 16 players and got an automatic double with the bases loaded.

Due to a technical difficulty, the reports of the Spring Valley Pony League games for the first week and a half did not name the winning pitchers or the outstanding plays. Mrs. Elaine Smith, publicity chairman, said the problem will be cleared up on the next report.

Following are scores to date:

May 13. In the first game of a double-header, it was Southwest Trophy Co. 2, Summers Sporting Goods 0, with Ron Thomas, winning pitcher.

In the second game, it was Berry's Sporting Goods 8, Cochran and Co. 5.

May 14. In the first game of the double-header, it was Spring Valley Merchants 13, and the Farm Team 1.

In the second game the Valley Pharmacy team beat out the Lemon Grove Merchants by a score of 10 to 7.

May 15. Spring Valley Merchants 3, Cochran and Co. 3.

May 16. Berry's Sporting Goods 6, Summer's Sporting Goods 6. This tie game will be played off later in the season.

May 17. Lemon Grove Merchants 3, Spring Valley Merchants 1.

May 18. Valley Pharmacy 16, Farm Team 5.

May 19. Berry's Sporting Goods 3, Cochran and Co. 2.

May 20. In the first game of a double-header, it was Summer's Sporting Goods 10, Valley Pharmacy 7.

In the second game, the Southwest Trophy team won over the Lemon Grove Merchants by a score of 6 to 0. The losing team failed to get a hit.

May 21. In the first game of a double-header, it was Spring Valley Merchants 10, Berry's Sporting Goods 2,

In the second game, Cochran and Co. scored 15 runs against the Farm Team's 10.

College to Offer Course Variety During Summer

The 1961 San Diego City College summer session which begins Monday, July 3, will offer a wide variety of course offerings in each of the three main divisions of the college—arts and science, business, and technical.

According to Wallace Homitz, dean of the summer session, 146 classes in 34 different fields of study have been scheduled.

Of particular interest are the five concentrated offerings in foreign languages which are being given this summer, Homitz said. Two classes in French, two in Spanish, and one class in German will be offered four hours each day, five days a week for the six weeks of the session.

Along Sweetwater Road

News of Spring Valley Estates, Mt. Miguel Terrace and La Presa

by Elaine Horowitz HO 3-5393

This week I'd like to tell you about how the problem of the obnoxious odors from the Spring Valley sewage plant can be solved, and the opposition these plans have met.

During the recent La Presa water district elections, a promise was made by the three eventually-elected candidates to find a solution to the sewer problem. They came up with a solution after having the situation investigated by engineers, which was feasible, but which, unfortunately, was thought of by the water district and not the sanitation district.

This, in politics, is as bad as if, in society, you showed up at a 'white tie' affair in a business suit. It just isn't done. Who considers the people suffering from the odor? Why bother with the fact that it will probably be another three years before the trunkline is completed to carry the problem away. Why consider the wishes of the people who voted the original bond issue to be used for construction, maintenance and eventual expansion of this plant. Seemingly the only important thing involved is that someone might be left standing with "egg on his face."

This summer when you're in front or back of your house, (according to which way the wind is blowing), and the gentle breeze brings to mind that there is something wrong with the plant, don't complain, just grin and bear it, for in another three or four years, the problem might be solved. If, on the other hand, you're already beginning to notice that friends don't visit you anymore, that the mosquitoes are really ganging up, or that your kids or your neighbors are getting nauseous more often, then write to your County Board of Supervisors at Civic Center, and demand a public hearing on this issue.

LITTLE LEAGUE NEWS

Little League teams will be playing every day next week. The boys' enthusiasm is wonderful to see. Their coaches and managers have indeed been able to install in them the spirit of team work and good sportmanship, but one thing is lacking to a great degree—parent participation. Parents are asked to participate in one way and for one reason. They are asked to take the time to come to the games and help cheer for their boy. The reason—for the boys' sake. Somehow they seem to put that much more into their playing when their fans are in the stand.

Grove Band To Play for La Mesa Parade

The Lemon Grove Junior High Band and specialty corps will participate in the May 30 Memorial Day parade at 9:45 a.m. in La Mesa. The event begins at Allison and La Mesa boulevard, proceed to Date, and then march on to the American Legion hall on University avenue.

Units with the Lemon Grove Band include the majorette and the pom pon corps. Other units in the parade are the Helix High band, Grossmont High band, Ozzie's band, and the U. S. Marine Corps band.

This represents the first public appearance of the Lemon Grove Band since it won the coveted Marine Corps Perpetual Trophy on May 6 at the National City Maytime Band Review. Harry Weisgerber is director of the student unit.

High Schools To Enroll 6,200 For Summer

Estimated enrollments in summer classes in the Grossmont Union High School District have climbed to 6,200 compared with the 5,578 registered in 1960. Classes begin June 19 and end August 4, and regular enrollment during the present semester is 10,605.

Classes will be held at all schools—Mt. Miguel, Helix, Grossmont, El Cajon, Valley High, El Capitan and Granite Hills. Special emphasis this summer is being placed on remedial reading seminars to be held at Helix, El Capitan, Grossmont, and Mt. Miguel. Students with reading difficulty are being tested and recommended for help through these classes to be taught by teachers enrolled in training courses at San Diego State College. Among other courses offered are math, biology, history, civics, social problems, typing, English, Latin, instrumental music, speech, physical education, auto, wood, and metal shops, radio and electronics, mechanical drawing, Spanish, German, notetaking, health, and driver education.

Owner of Used Car Lot Surprises Possible Thieves

Howard Jollett of Jollett Motors, 7644 Broadway, Lemon Grove, reports that on May 14 someone took at least 15 gas caps from the cars parked in his yard.

Jollett told a sheriff's deputy that he was driving past the car yard when he observed a car pull up in front. It pulled away in a hurry when he appeared. Jollett said he overtook the car enough to note it was of a popular touring car type and that the occupants were very young.

Covenant Church Plans Dedication Ceremonies

The Mt. Miguel Covenant Church, Spring Valley, will hold the first of its dedication services on Thursday evening, June 1. Pastor Arvid Carlson of the Pasadena Covenant Church will be the speaker and Pastor Orval Butcher of Skyline Methodist Church, Lemon Grove, will be present to sing.

The Pasadena Covenant Church, of which Mr. Carlson is the pastor, has, together with the San Diego First Covenant Church and the College Center Covenant Church, contributed substantially to the building fund of the Mt. Miguel church.

The Thursday service will be open to the public and is intended to be an inspirational pre-dedication service. Refreshments will be served. The new edifice is located on the corner of Akard and Kempton Sts. near Sweetwater Lake in the La Presa area.

The dedication service is planned for Sunday, June 4 at 3 p.m. The Rev. Joseph Danielson, secretary of home missions of the Evangelical Covenant Church of America, will preside. Interested friends are invited to both of these occasions.

How individual rights are defended through spiritual perception of God's complete power and wisdom will be brought out at Christian Science churches this Sunday.

Presbyterians to Hear 80-Voice Choral Group

The Chattick Choir, a group of 80 high school youths from the San Marino Community Presbyterian Church, will sing for both the 9:30 and 11 a.m. services of the La Mesa United Presbyterian Church on Sunday, May 28. The young people are under the direction of Kenneth F. White.

The occasion of this visit is an annual tour by the young people to United Presbyterian churches in southern California. Previous visits have been to Immanuel Presbyterian Church in Los Angeles and First Presbyterian Church, La Jolla.

The pastor's sermon for this Sunday will be entitled, "A Faith That Sings." Mr. Grant, the pastor at the La Mesa church, formerly served the San Marino church as minister of youth.

Baptist Dinner Featuring Spaghetti, 'Slave Auction'

There will be a free spaghetti dinner at the church on Friday evening in connection with the young people's "Slave Auction." After the dinner persons may "purchase healthy, good-looking slaves to do any chores around the house, within reason." Proceeds from the use of the help will be used to purchase a new disposal unit for the church kitchen. For the past eight years he has been director for Youth for Christ in San Diego, and in Dayton, O. In each of these places he has done an outstanding job with the YFC program and is now giving full time to the field of Evangelism.

The final session of the teacher training-Bible study class, taught by Rev. Anderson was held last Wednesday. A similar class will be held in the fall.

The Sunday School staff meeting was held Monday, with Wayne Grellson, the CDO new Sunday School superintendent leading. Extensive plans were discussed for the advancement of the Sunday School.

POPPY DRIVE STARTING

VFW Head Tells Where Funds Go

Hibbard Stubbs, commander of Veterans of Foreign Wars, Post 2082, Lemon Grove, tells where funds collected in the VFW's annual Buddy Poppy drive will go. He said he was making the statement so that citizens of Lemon Grove and Spring Valley would know just where their money will be used.

"The manner in which Buddy Poppy funds may be spent," the commander said, "is regulated by the national by-laws. Disbursements are strictly confined to the following purposes:

TO AID DISABLED VETS

"For the aid, relief and comfort of disabled and needy veterans, their dependents and their widows and orphans.

"For maintenance or expansion of the VFW national home for widows and orphans of veterans at Eaton Rapids, Mich.

"For hospital or individual assistance and entertainmen for needy veterans or service patients and their dependents.

"For rehabilitation, welfare and service work, including liason service with the Veterans Administration.

"For necessary expenses for military funerals of deceased veterans.

"For acquisition, improvement and maintenance of burial plots, and decoration of graves of veterans and service men.

"In each VFW community," Cmdr. Stubbs said, "more than one-half of the total Buddy Poppy receipts are used for local veteran welfare work. We are primarily an organization dedicated to serving our disabled and needy comrades, no matter in what war they may have fought or whether or not they be VFW members. The requisites for receiving VFW benefits are that a person must have served our country honorably and that his claims for aid must be worthy.

"Buddy Poppy dates have been set for the Lemon Grove area for May 26 and 27. It is hoped that all patriotic citizens of our great community will help those who helped us during time of need," the commander concluded.

DRAMA AT MIGUEL

Seniors Presenting 'Glass Menagerie'

Tennessee Williams 'The Glass Menagerie' will be presented as Mount Miguel high school's fourth annual senior play.

May 31, opening night, is reserved for seniors and their guests. June 2 and 3 is open to the public.

The plot of 'The Glass Menagerie' is one of people's indecision and inability to face problems. Gentleman Jim is the only character in the play who is capable of facing reality.

The cast includes Bea Weeks as Amenda; Sue Ferguson as Laura, Frank Setchell as Gentleman Jim; and Merrill Zimmersched as Tom.

Hans Proppe is student technician in charge of lighting.

William R. Sanders, Miguel's drama coach, commented, "We have an outstanding cast for what I consider to be one of the outstanding plays of our time."

Admission will be 75 cents for the general public and 50 cents for students holding ASB cards.

Rustling Reported By Ranch

The Daley Ranch in Jamul reports the loss by theft of two month-old, unbranded calves within a month. Cattle foreman H. A. Gfeller told the sheriff's department that on May 21 a month-old—half-Angus and half-Holstein — was taken from the dairy barn about 100 yards from the ranch-house.

Evidence indicated that a car had stopped 50 yards from the gate by the feed pens and that the robber had taken the calf away in the car.

PROMOTION ASSEMBLY

The ninth grade class of the O'Farrell Junior High School will have its promotional assembly on Thursday, June 15, at 9:30 a.m. in the auditorium. Due to the size of the ninth grade class only a limited number of seats will be available to parents.

DRIVER CAUGHT AFTER GOING 100 ON FREEWAY 94

Doyle Gene Britt, 24, 9608 Ryder Rd., Santee, was arrested at 4:55 a.m. May 18, by Deputy Sheriffs Paul Kunkle and R. V. Ring for reckless driving on Highway 94 between Lemon Grove and El Cajon.

The deputies saw his pink Ford Thunderbird pull out of Sherwood's parking lot and proceed east on Broadway at high speed. They said he turned into Grove street without signalling or slowing, then onto the Freeway. When the prowl car got to Highway 94, Britt was a quarter-mile away in the center lane driving at about 100 m.p.h.

They radioed the El Cajon sub station to alert El Cajon police department. At the Grossmont summit the car was a mile ahead of the patrol car. The speeder was intercepted in El Cajon at Main and Magnolia. When arrested, Britt said he had not heard the siren or seen red lights behind him.

FORGER AGAIN USES STOLEN IDENTIFICATION

Another $25 check on which the name of Bill Wade Anderson was forged, was passed last week at the Mayfair Market, 7663 Broadway, Lemon Grove. The forger is using I.D. cards and checks found from a wallet stolen from Anderson. The check was accepted by clerk Larry Acenes, who is not sure he could identify the check passer.
